President's Meeting

Minutes

4-17-2018

Welcome/Pledge/Introductions

Data Center - Interleague/Combined Play –Review Handout –emphasize numbers - Population-Important, can put in All Star teams now. Working to make use easier. Have to be interleagued correctly to be combined played. Need to get numbers in the Data Center. Especially the softball Jr's and seniors.

Background Checks-Need to confirm on Data Center. Now on Data Center at top by charter. It will say background checks confirmed. Main page has a red box where you can type your name to confirm.

Waivers – June 1st is drop dead date and cut off for everything. Make sure to do it. Less than 80 thousand, need waiver or go to charter committee.

New Rules – New regular season substitution rule same as tournament rule.

Tournament Rule 9–Mandatory play rule-voted on at congress. To put into hands of managers to make that decision in the 4th inning. Will let the manager know to get the player in. Be aware.

Tournaments – Will know exact date when confirmed number of teams in. Start getting volunteers together, score keepers, announcers, snack bar. Will feed umpires, no pay for them. Score keeping very important related to mandatory play.

TOC's – Beverly Hills around June 7th

All Stars– Scattered start dates from June 23rd & finishing around July 10th. Reason tournaments are moved around is because there are not enough volunteers.

Little League Baseball – West LA

9-11 Baseball – Santa Monica

8-10 Baseball – North Venice

Certification of All Stars– Dates to come in May. Reminder-school enrollment (form + report card). Start collecting info now. Dates need to be from before October of last year. All affidavits are scanned in.
